

**Alpine Apartment Halls Opening Procedures for:
Crestone, Shavano, and Antero Houses**

Opening Day: by scheduled day and time
Beginning Friday, August 20th through Sunday August 22nd
Check-In Time: Please observe your scheduled time

When you arrive to campus...

The Village at Alpine Valley is located at 4725 Clyde Way. When you arrive to campus, please park in the Alpine Field parking garage located nearest to Austin Bluffs Parkway. A campus map can be found by clicking here:

<http://www.uccs.edu/Documents/facsrvs/CampusMap.pdf>.

A Few Things to Remember

- We ask that only the resident student stand in line for their housing check-in to help the check-in process go faster, to observe social distancing and to keep the length of the lines down.
- If you or your helpers have been experiencing possible COVID-19 symptoms of fever, cough, shortness of breath or difficulty breathing, sudden loss of taste or smell, muscle or body aches, sore throat, vomiting or diarrhea, or have been under isolation or quarantine from a recent COVID-19 infection or exposure, you should refrain from moving to campus until being cleared by a medical provider. Contact us at housing@uccs.edu to let us know your status.
- Please be patient with lines and elevator use, observe the markings that will measure off social distancing.
- Together we can all Protect the Pride!

Once you have parked, please proceed to the following check in areas:

- All check in for the apartments will be in the La Plata building.

If you plan on arriving to check in after Sunday, August 23rd, you must notify the office via email at housing@uccs.edu.

Student rooms will be held until 8:00am of the first day of classes. If the student has not checked in by this time, the room will be released and made available to students on the wait-list, unless the student has notified the Housing Office that they will be checking in at a later date. In no cases will student rooms be held for more than one week from the first day of classes.

Don't forget your student ID card!

- ✓ You will need to bring a government issued ID (drivers license or passport) or ENT ID/Debit Card to be checked in.

Access to Buildings and Meal Plans

- ✓ Access to your village buildings will be via the Lion OneCard Mobile ID. You will not be receiving a physical card ID. This is a new process for our campus. You will need to upload a photo via the Lion OneCard website [Lion One Card | Lion One Card \(uccs.edu\)](http://uccs.edu) and download the app to have access to Mobile ID, instructions can be found on the Lion OneCard website, [Lion One Card | Lion One Card \(uccs.edu\)](http://uccs.edu). This will allow you to enter residence halls and access your meal plans in the dining halls or your flex dollars at retail locations. If you do not have an iPhone or Android, the OneCard Office (located in the University Center) will work with you on alternative options. You will need to complete this process prior to move in, your phone will give you the access you need to live and dine on campus.

To live on campus, you will need to meet immunizations requirements. For more information on meningitis, visit:

<https://uccs.edu/recwellness/health-services/immunizations>.

After you have received your keys...

Once you have checked in, you will be unloading from the Alpine Field Garage and proceed to your building.

Moving Carts:

We will have large carts available to rent out free of charge during your check in. To rent one, please go to the Antero Conference Room (located on the first floor of Antero, apartment building closest to the Alpine Garage) with your student Mobile ID or government issued ID card.

Resident Parking Permit Registration

Vehicle registration for parking will be required as of 8:00am on Monday, August 23rd. If you have not registered your vehicle or have parked in a lot other than the residential areas in the Alpine Field Parking Garage located off Clyde Way by this time, you will be ticketed.

A parking permit is included in your housing fees, so there is no need to pay an additional fee! No physical parking permit is required, but you will need to make sure to register your vehicle online through this website: <https://pts.uccs.edu/parking/students/resident-parking>. Make sure you know your license plate number to save time when registering!

One last thing...security and safety

Fall opening day is the only day we unlock our building doors. The buildings will be open when you arrive and will lock at 6:00pm. You will need to have your Student ID with you for exterior door access. When leaving your suite, make sure that you have pulled your door closed and that it has locked, and make sure you have your keys!

We take building security very seriously. If you find a door propped open, please close it and secure the door. Never allow someone into the building that does not live here...you could be letting strangers into your home.

If you ever see any suspicious activity or persons call Campus Police at 719-255-3111...please program this number into your phone so you always have it! In case of emergencies, please dial 911.

For RA assistance, please call 719-255-6500; this number is monitored Monday through Thursday at 5pm until the next morning at 8am, and Friday at 5pm through Monday morning at 8am.
