

# Village at Alpine Valley Residence Halls Opening Procedures for: *Cucharas, LaPlata and San Juan Houses*

Opening Day: by scheduled day and time  
Beginning Sunday, August 15<sup>th</sup> to Wednesday, August 18<sup>th</sup>  
Check-In Time: Please observe your scheduled time

## **When you arrive to campus...**

The Village at Alpine Valley is located at 4725 Clyde Way. When you arrive to campus, please park in the Alpine Field parking garage located nearest to Austin Bluffs Parkway. A campus map can be found by clicking here:

<http://www.uccs.edu/Documents/facsrvs/CampusMap.pdf>

## **A Few Things to Remember**

- We ask that only the resident student stand in line for their housing check-in in order to help the check-in process go faster, to observe social distancing and to keep the length of the lines down.
- If you or your helpers have been experiencing possible COVID-19 symptoms of fever, cough, shortness of breath or difficulty breathing, sudden loss of taste or smell, muscle or body aches, sore throat, vomiting or diarrhea, or have been under isolation or quarantine from a recent COVID-19 infection or exposure, you should refrain from moving to campus until being cleared by a medical provider. Contact us at [housing@uccs.edu](mailto:housing@uccs.edu) to let us know your status.
- Please be patient with lines and elevator use, observe the markings that will measure off social distancing.
- Together we can all Protect the Pride!

Once you have parked, please proceed to the following check in areas: Gallogly Recreation Center

If you plan on arriving to check in Wednesday, August 18<sup>th</sup> please come the LaPlata Desk, you must notify the office via email at [housing@uccs.edu](mailto:housing@uccs.edu).

Student rooms will be held until 8:00am of the first day of classes. If the student has not checked in by this time, the room will be released and made available to students on the wait-list, unless the student has notified the Housing Office that they will be checking in at a later date. In no cases will student rooms be held for more than one week from the first day of classes.

## **Don't forget your government ID card!**

- ✓ You will need to bring a government issued ID (drivers license or passport) or ENT ID/Debit Card to be checked in.

## **Access to Buildings and Meal Plans**

- ✓ Access to your village buildings will be via the Lion OneCard Mobile ID. You will not be receiving a physical card ID. This is a new process for our campus. You will need to upload a photo via the Lion OneCard website [Lion One Card | Lion One Card \(uccs.edu\)](https://uccs.edu) and download the app to have access to Mobile ID, instructions can be found on the Lion OneCard website, [Lion One Card | Lion One Card \(uccs.edu\)](https://uccs.edu). All this information should have been shared with you at your orientation. This will allow you to enter residence halls and access your meal plans in the dining halls or your flex dollars at retail locations. If you do not have an iPhone or Android, the OneCard Office (located in the University Center) will work with you on alternative options. You will need to complete this process prior to move in, your phone will give you the access you need to live and dine on campus.

To live on campus, you will need to meet immunizations requirements. For more information on meningitis, visit:

<https://uccs.edu/recwellness/health-services/immunizations>.

## **After you have received your keys...**

Once you have checked in, you will be unloading from the Alpine Field Garage and designated areas in VAV and proceed to your building.

## **Moving Carts:**

We will have large carts available to rent out free of charge during your check in. To rent one, please go to the Antero Conference Room (located on the first floor of Antero, apartment building closest to the Alpine Garage) with your student Mobile ID or government issued ID card.

## **Resident Parking Permit Registration**

Vehicle registration for parking will be required as of 8:00am on Monday, August 23<sup>rd</sup>. If you have not registered your vehicle or have parked in a lot other than the residential areas in the Alpine Field Parking Garage located off of Clyde Way by this time, you will be ticketed.

A parking permit is included in your housing fees, so there is no need to pay an additional fee! No physical parking permit is required, but you will need to make sure to register your vehicle online through this website: <https://pts.uccs.edu/parking/students/resident-parking>. Make sure you know your license plate number to save time when registering!

### **Loft Kits**

Due to limited inventory and in the interest of fairness, **during move-in (Sunday-Wednesday), loft kits will be available for students in shared bedrooms only**. Students in private bedrooms or in shared bedrooms without a roommate can request a loft kit starting on Thursday, August 19<sup>th</sup>. We always have loft kits returned to us throughout the fall term. We have a limited supply of lofting tools available for check-out during the move-in process. We ask that you loft your bed as quickly as possible and return the tools to the lofting check out station. **If you have a 3/16 inch allen wrench (hex key) and a 1/2 inch socket wrench, please bring them along and it will speed up your lofting.**

- Lofts can be located in the LaPlata Office room 107.  
You will be asked to fill out a lofting waiver and will be instructed on how to loft your bed.

### **One last thing...security and safety**

Fall opening day is the only day we unlock our building doors. The buildings will be open when you arrive and will lock at 6:00pm. You will need to have your Student ID with you for exterior door access. When leaving your suite, make sure that you have pulled your door closed and that it has locked, and make sure you have your keys!

We take building security very seriously. If you find a door propped open, please close it and secure the door. Never allow someone into the building that does not live here...you could be letting strangers into your home.

If you ever see any suspicious activity or persons call Campus Police at 719-255-3111...please program this number into your phone so you always have it! In case of emergencies, please dial 911.

For RA assistance, please call 719-255-6500; this number is monitored Monday through Thursday at 5pm until the next morning at 8am, and Friday at 5pm through Monday morning at 8am.
