About the Position

Residents Assistants are students whose role is to fulfill the Department of Residence Life and Housing mission to provide students with a positive residential environment conducive to learning and personal growth, including a commitment to the maintenance and operation of the physical facilities of all student residential areas. RAs facilitate a positive residential environment by assisting in implementing the Residential Curriculum listed above.

The RA position is considered a 25-hour per week position. Those hours encompass, but are not limited to, participating in on-going training and staff development, interacting one on one with residents, facilitating community development, performing rounds of the halls, and attending weekly staff meetings and individual meetings with their supervising Residence Hall Manager (RHM). This can be a demanding position, as you are never really "off" as an RA. However, personal balance and time away from the hall is encouraged.

Minimum Qualifications:

1. Enrolled as a full-time, degree-seeking student at UCCS and must have a previous semester grade point average of 2.5. If the previous semester GPA falls below a 2.5, the RA will be on a probationary period at the discretion the Residence Life and Housing staff or may be terminated.
2. Any RA who will be below full-time status (12 credit hours) during employment must consult the Residence Hall Manager or designee prior to going below full time status.
3. Any RA who wishes to take above 18 credit hours per semester, must obtain permission from the Residence Hall Manager or designee.
4. Outside activities and/or jobs must be limited to 10 hours per week for first year RAs, or 15 hours per week for returning RAs. These are defined as any time commitments that occur outside of scheduled classes. These activities must be adjusted so that they will not conflict with RA responsibilities, including, but not limited to the scheduling of duty nights, staff meetings, training sessions, and certain programmatic responsibilities.
5. Per the University of Colorado Colorado Springs policy 300-020 effective July 1, 2014 stipulates the number of on campus hours allowed by a student employee. The maximum number of hours a student employee may work is 25 hours per week. This number is inclusive of all positions held on campus, across all departments and offices. Furthermore, RA positions require on average of 25 hours of a week of work.

As a result, RAs will not be approved for additional on campus employment. *Participation in clubs or organizations that are **non-paid positions do not count** against the 25 hour per week maximum.

6. It is expected that one's RA responsibilities are priorities over all extra-curricular activities. Any academic, extra-curricular or employment commitments above these levels must be discussed with the Residence Hall Manager or designee prior to assuming and remaining in the RA position. No exceptions will be granted for first year RAs during their first semester of employment.

Preferred Qualifications

The RA position requires maturity, commitment. Self-discipline, and the desire to serve other students.

With training, candidates should have the ability to:

- Have lived in a residential on-campus community for at least two semesters (at any university or college).
- Proven academic performance and successful participation in extra-curricular activities. This includes involvement in UCCS student organizations and clubs.

Candidate Pool

Each year, qualified candidate numbers exceed the number of available positions. Qualified candidates who are not immediately offered a position are placed into the "Alternate Pool". After the initial hiring process, positions often become available for a variety of reasons, and are offered to candidates from the pool. While not guaranteed, some pool candidates in recent years have received an offer. If not immediately selected, qualified applicant files remain active for a one-year period.

- Carefully read all of the information included in this packet.
- Talk to current RAs and Residence Hall Managers before the process to gain a good understanding of the position.

- Practice. Think about possible questions and how your experiences may relate to them.
